KnollStudio

KnollStudio® is an unparalleled resource for modern furniture. Knoll works with celebrated architects and designers from around the world, creating products that make pleasing and distinctive environments. In the office, in hotels, in restaurants and museums, KnollStudio renews its long-held commitment to the past, present and future of modern design.

“Good design is good business”

Florence Knoll

The KnollStudio collection of remarkable and timeless furniture affirms Knoll's unwavering belief in the power and utility of modern design. Life changes, but quality endures.
