

- Knoll Dividends for 85 workstations.
- Knoll Dividends for 65 private offices.
- 160 Knoll Generation chairs and a variety of manufacturers for conference room, training and break room furniture solutions.

Tri County Health Department set out to create a new productive and functional work environment for their employees with a value-minded budget in place. TCHD had a mix of furniture within their existing space that was outdated and required a refresh. ELEMENTS' worked diligently to modify and create options for workstations, private office and meeting rooms that exceeded Tri County Health Department's expectations and were specified to last for many years to come.
